MEMORANDUM FOR: Chairman, Fine Arts Commission  
THROUGH : Deputy Director for Support  
SUBJECT : Color of Medical Staff Door

The main door (1D-40) leading in to the Medical Staff area was today painted red. This was without the concurrence or knowledge of this staff. Since it is felt that this is an inappropriate color for a doorway leading to a medical facility, it is requested that this door be repainted with a different color and that the Medical Staff be permitted to recommend this color from among those colors available.
